

**RELATIONS WITH LAW ENFORCEMENT AUTHORITIES
ADMINISTRATIVE PROCEDURE**

The following procedures are intended to guide the involvement of law enforcement authorities in the schools:

- A. Law enforcement officials may enter school premises:
 - 1. In the event of an emergency endangering student or staff safety;
 - 2. At the request of the Superintendent or building principal;
 - 3. When there is a warrant to arrest a student that cannot be executed outside of school hours. School administrators are not obligated to make students or school facilities available to law enforcement for non-school-related investigations/arrests;
 - 4. In exigent circumstances as authorized by law.
- B. The Superintendent or building principal shall attempt to contact the student's parents/guardians prior to allowing law enforcement authorities to interrogate, search or arrest a student at school, except when there are reasonable grounds to believe that a health or safety emergency requires the interrogation, search or arrest to take place without prior notice.
- C. Law enforcement authorities are responsible for ensuring that a student is informed of his/her rights prior to an interrogation, search or arrest conducted by law enforcement authorities.
- D. A student may be removed from school by law enforcement authorities when there is a court order or an arrest warrant, or when a warrantless arrest is authorized by law. The Superintendent or building principal shall attempt to notify the student's parents/guardians as soon as possible of the student's removal from school.
- E. The Superintendent or building principal shall release student information to law enforcement authorities only as allowed by the Family Educational Rights and Privacy Act.
